#### ATTENTION TRAINING OFFICERS!

Let Davidson County Community College meet your training needs through distance education! We can customize a CE program just for you. We can do any or all of your didactic information ONLINE so all you have to concentrate on is the "Hands On" portion of your CE. Your personnel will love you for it! (Especially if they have access to the internet while on shift) They can complete the courses during down time and not have to come in as much on their days off. No more long boring lectures that they have heard time and time again, on-site CE would be skills based! For information, contact Kelly Kirk (336) 224-4791 or [lkkirk@davidsonccc.edu](mailto:lkkirk@davidsonccc.edu)

**ANY SEMESTER: EMERGENCY MEDICAL SCIENCE BRIDGING PROGRAM.**

This program is designed to allow a currently certified non-degreed EMT-Paramedic to earn a two-year Associate of Applied Science Degree in Emergency Medical Science by completing the EMS Bridging courses and all other related and general education courses required for this degree. Scheduling is flexible and it is an open-entry program. You may enter any semester. Program is available through: Carteret Community College, Morehead City; Guilford Technical Community College, Jamestown; Randolph Community College, Asheboro; Rockingham Community College, Wentworth; and Surry Community College, Dobson. For information, contact the Admissions Office of Guilford Technical Community College at (336) 334-4822 or call David Reeves at (336) 334-4822, ext. 2289. Program is also available via classroom or online through Davidson County Community College. For information, call Hank Stowe at (336) 249-8186, ext. 6748.

Other community colleges also offer a similar bridging program, so check your local community college for information.

WCU is currently accepting applications for its on-line BS paramedic degree program. The program is available to certified paramedics who have completed 60 hours of college transfer credit (maybe in any field of study) with a minimum 2.5 GPA. Upon completion of their studies at WCU, students will receive the Bachelor of Science degree in Emergency Medical Care, with a concentration in either Health Services Management or Science (pre-med).

The program is part-time and offered primarily over the Internet, with one class meeting per semester (three meetings per year) at Guilford Technical Community College in Jamestown NC. Classes begin in August, 2006. Space in the program is limited and applications will be accepted until 1 July 2006.

For more information on the program, please contact Dr. Michael Hubble by email, [mhubble@email.wcu.edu](mailto:mhubble@email.wcu.edu) or by phone (828) 227-7113 or visit our website at <http://emc.wcu.edu> and click on the "Distance Learning" link.
