JANUARY 14 & 15: ADVANCED MEDICAL LIFE SUPPORT CLASS at Cleveland Community College. For More information or to preregister please call Mrs. Carolyn Lovelace at 704-484-6657 or Thomas McNeilly at mneillyt@clevelandcommunitycollege.edu

January 16 – March 3: EMT Refresher Hybrid. Sponsored by Davidson County Community College. This is a 72 hour class that will allow the student 7 weeks to complete the work online. The class does meet on campus on March 2 from 10am-6pm and March 3 from 9am-6pm. The class is \$175.00 unless fee exempt. To register for the class contact Diane Hedgecock at 336-224-4791, mdhedgec@davidsonccc.edu. If you have any questions about the class, please contact Diane Hedgecock or Tony Ramsey at 336-224-4788, tramsey@davidsonccc.edu.

January 16 – March 3: Paramedic Refresher Hybrid. Sponsored by Davidson County Community College. This is a 72 hour class that will allow the student 7 weeks to complete the work online. The class does meet on campus on March 2 from 10am-6pm and March 3 from 9am-6pm. The class is \$175.00 unless fee exempt. To register for the class contact Diane Hedgecock at 336-224-4791, mdhedgec@davidsonccc.edu. If you have any questions about the class, please contact Diane Hedgecock or Tony Ramsey at 336-224-4788, tramsey@davidsonccc.edu.

January 16-29: ONLINE ALS CON-ED – EMT-INTERMEDIATE COMPETITION through Edgecombe Community College. This fun and unique course is designed for credentialed ALS providers seeking continuing education. The objectives for this course satisfy the National Standard Curriculum and the NCOEMS objectives. *This is not your ordinary continuing education class and is only open to EMT-Intermediates.* The premise is to show the importance of staying current in the profession. There will be some instruction followed by a comprehensive online written exam. Each student will receive their grade afterward **AND** their rank in the class to help them realize how they test versus others at the same level. They will **NOT** receive anyone else's scores. This can serve as a great personal reward for some as well as a wake-up call for those whose basic knowledge is deficient. *Some EMS agencies are not only promoting the competition but also requiring it of their staff.* The cost is \$65 unless the tuition waiver applies. For more information or to preregister please call or e-mail Lee Darnell at (252) 823-5166, ext 175, darnell@edgecombe.edu or Rhonda Wells at (252) 823-5166, ext 293, wellsr@edgecombe.edu.

January 16-29: ONLINE ALS CON-ED – PARAMEDIC COMPETITION through Edgecombe Community College. This fun and unique course is designed for credentialed ALS providers seeking continuing education. The objectives for this course satisfy the National Standard Curriculum and the NCOEMS objectives. *This is not your ordinary continuing education class and is only open to Paramedics.* The premise is to show the importance of staying current in the profession. There will be some instruction followed by a comprehensive online written exam. Each student will receive their grade afterward **AND** their rank in the class to help them realize how they test versus others at the same level. They will **NOT** receive anyone else's scores. This can serve as a great personal reward for some as well as a wake-up call for those whose basic knowledge is deficient. *Some EMS agencies are not only promoting the competition but also requiring it of their staff.* The cost is \$65 unless the tuition waiver applies. For more information or to preregister please call or e-mail Lee Darnell at (252) 823-5166, ext 175, darnell@edgecombe.edu or Rhonda Wells at (252) 823-5166, ext 293, wellsr@edgecombe.edu.

January 16-29: ONLINE- PUBLIC SAFETY EDUCATOR PROFESSIONAL DEVELOPMENT- DIVERSITY. This month this topic will be combined with the Leadership Series. This is a new monthly series sponsored by Edgecombe Community College, Tarboro, NC. A new topic will be offered in the second two weeks of every month. The series is designed to help any instructor, or someone who wants to become an instructor, in one of the public safety fields; EMS, Fire, Law Enforcement, Emergency Management, or 911 Communications. It is up to each teaching institution as to whether they will accept these hours toward EMS instructor recert. The cost is \$65 unless the tuition waiver applies. For more information or to preregister please call or e-mail Lee Darnell at (252) 823-5166, ext 175, darnell@edgecombe.edu or Rhonda Wells at (252) 823-5166, ext 293, wellsr@edgecombe.edu.

January 18-March 28: Initial EMT Basic. Guilford Technical Community College. M W F 0900-1600. Jamestown Campus, Public Safety Building, Room 220 Cost \$193. For more information contact Tori Millikan at tamillikan@gtcc.edu or (336)334-4822 ext. 50378

January 17-May 12: EMT-Basic Initial Course. Tuesday & Thursdays 1800-2200, plus one Saturday per month (8 a.m. – 5 p.m.) Sponsored by Haywood Community College. This course is designed to educate students to recognize a variety of medical emergencies and provide efficient and prompt emergency care. Emphasis is placed on evaluating diagnostic signs and determining the extent of injury or illness. Class days/times are: Tuesday & Thursday, 6pm - 10pm, and one Saturday per month, 8am – 5pm. Prerequisite: Satisfactory 10th grade reading test score on reading placement exam and HS Diploma/GED. Pre-registration is required. To pre-register you will need to contact Tonya Clark, Coordinator of EMS Training-Haywood Community College at (828) 627-4617 or email tsclark@haywood.edu

Registration for the 2011-12 **EMS Administration and Disaster Management Program** Certificate is now open. The 2011-12 program will lead us into the second year of this dynamic program for EMS professionals. Intended to be the next administrative step after other EMS management programs, such as the EMS Management Institute at UNC-Charlotte, this program is for the experienced EMS administrator and professional. This program will focus on the following topic areas: Medical Disaster Planning and Management; EMS Leadership, Innovation, and EMS revenue; Public Information and Marketing; and EMS Operations, Finance, and Accounting. This is a 100 hour continuing education program offered by the University Of North Carolina School Of Medicine. Faculty from the university, as well as other well known subject area experts will provide the instruction for our program. Three day sessions are held at the UNC Campus in Chapel Hill during the months of August, October, January, March, and May. Our EMS world is a dynamic, ever changing work place and our program aims to provide you with the tools to not only keep pace but to set the pace of our EMS profession. Visit our website at EMSAdmMDM.org, and if you have any questions about our program please call Jim Gusler at 919-966-3659 or email at james_gusler@med.unc.edu.

Western Carolina University.

WCU is currently accepting applications for its on-line B.S. paramedic degree program and the Emergency Medical Care option in the Master of Health Sciences (MHS) graduate degree program. The online B.S. degree program is available to certified paramedics who have completed 60 hours of college transfer credit (may be in any field of study) with a minimum 2.5 GPA. Upon completion of their studies at WCU, students will receive the Bachelor of Science degree in Emergency Medical Care, with a concentration in Health Services Management or Science (pre-med). The program is part-time and offered primarily over the Internet, with one 3-day lab session on the Cullowhee campus. Space in the program is limited and applications will be accepted until March 1, 2011. Classes begin in August. You may apply online at http://www1.cfnc.org/applications/WCU_Dist_Ed/apply.html?application_id=3631.

The Master of Health Sciences program is web-based and offers two areas of concentration: EMS management and EMS education. Admission criteria include a baccalaureate degree with a cumulative GPA of 3.0 in all upper level courses, acceptable scores on the Graduate Record Exam (GRE) and 3 professional or academic letters of recommendation. The program is offered on a part-time basis (two courses per semester) and can be completed in two years. Upon completion of their studies at WCU, students will receive the Master of Health Science degree with a concentration in Emergency Medical Care. Applications will be accepted until March 1, 2011 and you may apply online at <http://www.wcu.edu/5642.asp>. Classes begin in August.

Additional information is available by visiting the MHS website at <http://www.wcu.edu/4634.asp> or by visiting the B.S. degree website at <http://emc.wcu.edu> and clicking on the "EMC Online Program" link. For further information on these programs, the contact person is Denise Wilfong, Ph.D., NREMT-P

Director, Emergency Medical Care Program Western Carolina University, 128 Moore Building Cullowhee, NC 28803. 828-227-3518. fax: 828-227-7446,

(On-line) EMS Continuing Education. (On-line) EMS Continuing Education. Sponsored by Wayne Community College. Each class will be a 4 hr course conducted by an Online EMS Instructor who will allow students 1 month to complete the course at their own pace. Students will have access to the instructor and other EMS students/providers 24 hours a day for the duration of the course. Cost of the class is \$65 if not fee exempt. This class will involve on-line learning via Blackboard. Students must pre-register and have computer access. To register, 919-739-6893 for Susan Macklin or 919-739-6798 for Beverly Deans. The monthly topics will be listed on the EMS page of the colleges' website.

Lenoir Community College offers a 2-year degree (hybrid) program with some on-site dates for practical application of skills. Also offers an EMS bridging degree program online. For information, contact Wayne Rummings (252) 233-6872 or wrummings@lenoircc.edu

Montgomery Community College offers on-line courses for EMS and EMD personnel to earn their required Continuing Education Units (CEUs). Please visit web site: <http://www.montgomery.edu> Under Continuing Education you will find a web page for EMD courses and another for EMS courses. For questions, contact Gay Roatch (910) 576-6222 x 526 or roatchg@montgomery.edu

EMT Continuing Education. Wake Tech is offering ongoing EMT CE classes at its Health Science Campus beside WakeMed Hospital in Raleigh on selected Saturdays from 9:00 a.m. to 4:00 p.m. for those EMTs who wish to obtain specific course topics and objectives. To obtain specific prerequisites, additional information, or pre-register, call (919) 662-3319 during business hours. To learn more about Wake Tech's Emergency Medical Science Department programs, visit <http://ems.waketech.edu/>

ATTENTION TRAINING OFFICERS!

Let Davidson County Community College meet your training needs through distance education! We can customize a CE program just for you. We can do any or all of your didactic information ONLINE so all you have to concentrate on is the "Hands On" portion of your CE. Your personnel will love you for it! (Especially if they have access to the internet while on shift) They can complete the courses during down time and not have to come in as much on their days off. No more long boring lectures that they have heard time and time again, on-site CE would be skills based! For information, contact Tony Ramsey at 336-224-4788, tramsey@davidsonccc.edu

Landmark Learning Landmark Learning is the nation's leading year-round, multicertification training center for outdoor educators and emergency medical personnel. Landmark Learning offers a 3 week intensive course that provides the 169 hours necessary to become certified as an EMT Basic. For more information on American Heart Association Courses, you may check their web site, www.americanheart.org/cpr or contact the office of American Heart Association, North Carolina Region in Morrisville at (919) 463-8323 or your local community Training Center (TC).

ANY SEMESTER: EMERGENCY MEDICAL SCIENCE BRIDGING PROGRAM.
This program is designed to allow a currently certified non-degreed EMT-Paramedic to earn a two-year Associate of Applied Science Degree in Emergency Medical Science by completing the EMS Bridging courses and all other related and general education courses required for this degree. Scheduling is flexible and it is an open-entry program. You may enter any semester. Program is available through: Carteret Community College, Morehead City; Guilford Technical Community College, Jamestown; Randolph Community College, Asheboro; Rockingham Community College, Wentworth; and Surry Community College, Dobson. For information, contact the Admissions Office of Guilford Technical Community College at (336) 334-4822 or call David Reeves at (336) 334-4822, ext. 2289. Program is also available via classroom or online through Davidson County Community College. For information, call Hank Stowe at (336) 249-8186, ext. 6748.

Other community colleges also offer a similar bridging program, so check your local community college for information.
