Re-certification						
Certification renewal verification will be reviewed on the first Friday of each month. Anyone who needs to renew their EMR, EMT, AEMT or Paramedic certification should see Frank St. Denis, no later than the first Friday of the month of your certification expiration. This will give you time to obtain any needed documentation or continuing education hours prior to the end of the month. You can renew any first Friday within 90 days of your certification expiration. No appointment is necessary, but would be appreciated. For appointments, call Frank St. Denis @ 252-222-6082					First Fridays	0900-1500
					February 1st March 1st April 5th May 3rd	

Note: This is not a complete list of classes that will be offered in 2019. ACLS and PALS refreshers will be added, as well as new NAEMT courses.

Courses listed in this mailer are open to the public and are fee exempt for EMS personnel affiliated with a 911 EMS system. Please remember to pre-register for any course where it is listed.
