

EMS INSTRUCTOR PROFESSIONAL DEVELOPMENT

PreMed Training, hosted by Sampson Community College, will be offering an **EMS Instructor Professional Development** course to assist instructors in recertifying your Level I or Level II EMS Instructor credential! The 20-hour course provides the majority of the 24 hours needed for renewal (the remaining 4 hours are intentionally left for your NCOEMS instructor workshop and any meetings required of your training center/Community College/Approved EMS Educational Institution).

The course is offered in the familiar PreMed format of one four-hour evening session and two eight-hour days like the National Registry review programs. Advance your knowledge as an EMS instructor with topics including: Who we are as EMS Educators, Understanding your students, Ethics, Classroom technologies, and Assessing and Evaluating training needs.
