

# EMR/ EMT ConEd

As we wrap-up February EMT Con Ed, it is time to think about March. For the month of March, the topic will be **Cardiovascular Emergencies**. Con Ed will be offered several different ways and you are welcomed to take it as many ways as you wish - you WILL get credit for each different way. Please post this email to share with your department.

At this time, we have con ed being offered by, at , and when
